

## Why Ambitions ?

At Ambitions we provide most competitive flying rates without any compromise on safety or quality of flying. Our highly experienced in house instructors and maintenance team make sure student complete the entire training with the best of the skills, turning average human beings to extra ordinary skilled fliers.

An impressive Student : Instructor : aircraft ratio and our fleet of Brand new Cessna 172R and Cessna 172SP aircraft helps us completing the course according to schedules and in the least possible time.

The location of the Flying Club just about 2 hrs from New Delhi which is the hub of all the DGCA related activities does not disrupt flying schedules of students even during their DGCA exams and always keeps them updated.

Also, we provide assistance to avail Bank Loans for students who require financial aid.

**DGCA APPROVED FLYING INSTITUTE**

**Comprehensive facility  
to produce  
quality Pilots...**

## Ambitions Aviation Academy

(DGCA approved flying institute)

Our Objective is “ Leading the next Generation of Training” with an endeavor to develop our future pilot through the most specific training experience that exceeds the expectation of budding pilots with uncompromising Quality and Safety. The academy is headed by an experienced board of directors who have been leading the industry in various ways.

We train each pilot to be effective crew member and employee with a positive attitude, sound aeronautical decision-making skills and exceptional airmanship.

we provide an all encompassing positive safety culture in corporation fundamental safety principles into every aspect of training and operations.

### Things we do differently

- Planned roster system for students ensuring organized flying.
- We emphasize on instrument flying, as it is the basis of airline flying.
- Encourage cross country flying to distant airports, to provide better flying exposure and promote greater flying experience.

### Things we don't do.

- Compromise on safety of the pilot and the aircraft
- Go against DCGA norms.
- Compromise on the quality of training at any cost.

### COURSES

- ✦ Student Pilot Licence
- ✦ Private Pilot Licence
- ✦ Commercial Pilot Licence
- ✦ Instrument rating
- ✦ Asst. Flight Instructor Rating
- ✦ Ground training for various Licences
- ✦ Recency flying
- ✦ Hobby flying
- ✦ Conversion of FATA to Indian licence

### FLEXI FLIER PROGRAMME:

Best suited for working individuals, professionals or cabin crew who can fly at their own schedule and own convenience for hobby flying or PPL and CPL training.

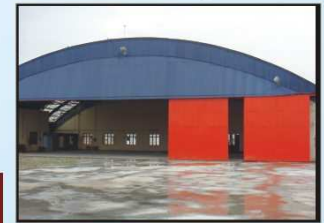

### ELIGIBILITY

The student aspiring to become a pilot should be at least 17 years of age ( minimum age to get CPL being 18 years). Also his educational qualification should be at least HSC ( 10 + 2) preferably from the science stream with physics and maths as subjects. Students from other faculties will have to pass physics and maths examinations from any recognised board or university.

Apart from this, the student will have to undergo Class II and Class I medicals Examination from authorised Doctors to be eligible for flying.

### INFRASTRUCTURE

- ✦ Brand new Cessna 172 SP, Cessna 172 R and Cessna 152 aircraft.
- ✦ A 7000 sq. feet fully equipped hanger.
- ✦ A 3900 feet runway at Dhanipur air strip in Aligarh.
- ✦ A well stocked Library for a pilot of any cadre.
- ✦ An in house ATC and specially allocated frequency for radio telephony.
- ✦ Air conditioned Briefing and debriefing rooms.
- ✦ Hassle-free transportation between the The Academy and the hostel through shuttle service.

### HOSTEL AND OTHER FACILITIES

- Luxurious Air Cooled Rooms with TV
- 24 Hrs Wi-Fi connectivity
- Complete Indoor Recreation Facilities
- 24 Hrs Cafeteria
